

# Nasseradeen Ashwear

## Curriculum Vitae

Benghazi St.  
Almagasba - Misurata, Libya  
☎ +218 (0)915991148  
☎ +218 (0)925991148  
✉ ashwear@mech.kth.se

## Experience

### Academic

- 2016-present **Lecturer**, *University of Misurata*, Dept. of Mechanical Engineering, Misurata. Libya
- 2011-2016 **PhD student**, *KTH Royal Institute of Technology*, KTH Mechanics, Stockholm. Sweden
- 2007-2011 **Assistance lecturer**, *University of Misurata*, Dept. of Mechanical Engineering, Misurata. Libya
- 1995 -2002 **Tutor and instructor**, *Petroleum Training and Qualifying Institute PTQI*, Mech. Dept., Tripoli. Libya

### Working

- 2002-2007 **Marketing assistance**, *Alebrega company for oil marketing*, Misurata Office, Misurata. Libya

## Education

- 2011-2016 **PhD student Engineering Mechanics**, *KTH Royal Institute of Technology*, Stockholm, Sweden.  
Project: Vibration-based Assessment for Tensegrity Structures.  
Course selection: Advanced structural dynamics, Applied linear optimization, Non-linear Oscillations and Dynamical Systems.
- 2000-2001 **MSc. Product Design and Manufacturing**, *Northumbria University*, Newcastle, United Kingdom.  
Applied mechanics
- 1986-1991 **BSc. Mechanical Engineering**, *University of Tripoli*, Tripoli, Libya.  
undergraduate Project was in Applied Mech.

## Social Skills

- Culture Good ability to adapt to multicultural environments.
- Teamworker Team spirit acquired in sports and education projects.
- Presenting Presented project work for peers as well as technical laymen at university seminars.

---

## Technical Skills

Experiments Motion capture in gait laboratory, performed during PhD studies.  
Repair Car and computer repair.

---

## Computer Skills

General Assembly, installation, and repair of personal computers in my family.  
Programs Good knowledge in MATLAB software, used throughout university education.  
Programming Good knowledge in PHP language, used to write a full online submission system for the international journal of engineering and information technology IJEIT <http://ijeit.misuratau.edu.ly/IJEIT2/>.  
languages Good command of MS Office tools, Word, Excel, and Powerpoint.  
Basic knowledge of finite element application Ansys.  
Basic knowledge of CAD application Solidworks.  
Very basic knowledge in the OpenSim software package.  
Good command of LaTeX document markup language.

---

## Languages

Arabic Native  
English Very Good  
Swedish Elementary

---

## Interests and Hobbies

Sports Running, cycling, swimming.

---

## Info

Birth 1968 May 26 (Misurata)  
Citizenship Libyan  
Driving License Category B
